### Overview

Located on the prestigious hillside of Millionaire's Mile overlooking Kamala Bay, Villa Chada has sweeping views of the Andaman Sea from its secluded oceanfront setting. Mixing classic Thai architecture with tropical charm, this six-bedroom villa offers complete privacy, large gardens, and warm, attentive service. It is the ideal escape for families or groups of friends looking for a peaceful retreat and understated luxury.

Set across four traditional pavilions, the villa's design embraces open-plan living with floor-to-ceiling windows, polished hardwood floors, and elegant pitched roofs. Inside, curated antiques, Asian artworks, and intricate wood carvings lend character and authenticity to every corner. Each bedroom is a private retreat, positioned to capture sea or garden views, while shared spaces flow outdoors to the lush lawns and lotus ponds that define the estate.

At the heart of the villa, a large freeform swimming pool is surrounded by a timber deck, with tall casuarina trees providing shade. This is the perfect space for lazy afternoons or sunset relaxation. A dedicated team, including a villa manager, private chef, and 24-hour security, ensures every detail of your stay is taken care of.

Though secluded within the exclusive Laemson Estate, Villa Chada is not far from Phuket's best experiences. A short walk leads to a hidden cove perfect for snorkelling or fishing, while the dining, shopping, and nightlife of Kamala and Patong are a short drive away.
