Overview

Masseria Serena is a beautifully designed six-bedroom villa set in the peaceful countryside of Puglia's Itria Valley, offering a relaxed base for exploring the region's historic towns, beaches and countryside. The villa combines understated interiors with generous outdoor spaces, making it particularly well suited to families or groups of friends travelling together.

The main house has a spacious sunroom with comfortable seating and large arched windows overlooking the pool and surrounding landscape. There is also a fully equipped indoor kitchen and dining area for up to 12 guests, while the villa's outdoor kitchen provides another option for relaxed meals in the sunshine.

The six air-conditioned bedrooms are spread between the main house, a separate annex and a traditional trullo, with each having its own en-suite bathroom and direct access to a terrace. The two bedrooms in the annex are connected by a sliding door and are particularly suited to families travelling with children.

Outside, a 15-metre saltwater infinity pool is surrounded by lush gardens, with an outdoor kitchen, dining area, covered patio and firepit creating plenty of space to spend time together. A rooftop lounge adds another setting for relaxing, with panoramic views and a heated saltwater Jacuzzi. There are also two heated outdoor showers, a table tennis table and private parking.

Masseria Serena is around 20 minutes from the coast and 10 minutes from the nearest serviced town, with Ostuni, Alberobello and Martina Franca all providing opportunities to experience Puglia's distinctive architecture,

food and culture. Brindisi Airport is approximately 36 minutes away.
