

Villa Hyperion

Villa Hyperion is a luxury five bedroom oceanfront villa located on the sugary sands of Long Bay Beach. Villa Hyperion has 3 floors of luxury and contemporary indoor and outdoor living space and can comfortably accommodate up to 10 guests.

Overview

Villa Hyperion is a luxury five bedroom oceanfront villa located on the sugary sands of Long Bay Beach. Villa Hyperion has 3 floors of luxury and contemporary indoor and outdoor living space and can comfortably accommodate up to 10 guests.

Two bathrooms are located on the ground level along with en-suite bathrooms. There is also a family media room for relaxation. Doors open up to the private garden terraces from which you can relax and enjoy the spectacular sunsets.

On level two is a state-of-the-art kitchen with all the modern conveniences. Large sliding doors open onto a sun deck with infinity pool overlooking the sparkling ocean waters.

Three master suites are located on the upper level, each with private en-suite bathrooms.

Villa Hyperion is located at Long Bay Beach Club and is one of three beachfront that are nestled in the lush, natural landscaping of the Caribbean.
