### Overview

Villa Indrani is a stylish five bedroom luxury villa ideally located for families and groups of friends, within walking distance of the beach, and close to Canggu's hipster cafés and beach clubs.

This spacious property has two elegantly designed master bedrooms with large ensuite bathrooms. Both bedrooms are mirror images of each other and embody old-style colonial romance. The villa also has three comfortable guest bedrooms, each with an ensuite bathroom and lovely views over the pool and garden.

The impressive living and dining area features floor-to-ceiling windows that slide open for indoor/outdoor living (or can be kept closed for air-conditioned comfort). The carefully chosen furniture gives this space a lovely mid-century retro feel. With its large open-plan kitchen, which is exclusively for guest use, this is also the perfect space for entertaining.

The pool, large sun deck and lawn get the sun for most of the day and are great for lounging or playing. The outside area is also the ideal spot for enjoying a sunset cocktail freshly made by one of the villa's butlers, or sampling some of the private chef's best Indonesian and western cuisine at the solid-wood dining table. The villa has a wonderful team of staff including villa manager, housekeepers, a chef and butlers.

The villa is only 500m from Berawa Beach, popular for its surfing waves. With Canggu and Seminyak's fabulous clubs, shops and dining spots close by there is something to keep everyone entertained.
