Overview

Casa Rose is a stunning six bedroom villa overlooking the village of Kassiopi and the Corfu/Albanian Channel beyond. One of the most famous resort areas on the north east coast of Corfu, Kassiopi is a firm favourite for those looking for a luxury getaway without the crowds of many other resorts. Boutiques and tavernas line the pedestrianised main street and lead down to the picturesque harbour area. Hire a boat to visit various other small coves and villages along the coast.

This property boasts one of the largest pools in what was once a private home, as well as a second, indoor heated pool. A gym area as well as multiple relaxation spaces make this the perfect choice for a large family or group of friends looking for the ultimate getaway. A fully equipped kitchen is ideal for those wanting to arrange a private chef (at additional cost) or cook for the group with delicious local produce. A large outdoor dining table is perfect for enjoying your meals alfresco.

All six bedrooms at Casa Rose are spacious, air conditioned and have ensuite bath or shower rooms. Three are double rooms and three are twin. Several have access to private terraces.
