

Queens Fort 7

Queens Fort 7 is a beautiful five bedroom villa located in St. James on the west coast of Barbados. This villa is great for a group of friends or family and 3 bedrooms are located in the main house as well as 2 bedrooms in the cottage.

Overview

Queens Fort 7 is a beautiful five bedroom villa located in St. James on the west coast of Barbados. This villa is great for a group of friends or family and 3 bedrooms are located in the main house as well as 2 bedrooms in the cottage. Queens Fort 7 has been listed as one of the top 30 Caribbean Villas by "The Times".

Queens Fort 7 offers great privacy with an automatic gate entry system and is located on a private road that leads to the beach path.

All of the five bedrooms are air-conditioned and feature en-suite bathrooms. The bedrooms have a combination of King, Queen and twin beds to suit most requirements. The cottage is completely built of old coral stone and has 2 bedrooms (the master has a four poster bed) with bathrooms, a kitchen and 2 patios - an ideal arrangement for two families or groups of friends.

The Villa also features a fully-equipped kitchen, indoor and outdoor dining areas and a media room which boasts a 60inch flat screen smart TV, DVD player and Netflix.

The outside is as impressive as the inside with a large swimming pool set amongst spacious gardens. The swimming pool is divided into two, with stepping stones creating a 3ft shallow area, ideal for younger children. The other side of the stepping stone area is a deeper swimming area at 4.6" deep. The outside bar has a relaxed beach bar feel with 10 bar stools and driftwood timber - a great place to gather together for a pre-dinner drink.

The property is just a short drive to Holetown where there is a variety of shops, restaurants and bars.
