

Hectors House

Hectors House is a Barbados villa and overlooks the shimmering turquoise waters on the south coast. Hectors House features 3 bedrooms and can accommodate up to 6 guest. The infinity pool is impressive and overlooks the garden and cliffs and the deck has several options for dining outdoors.

Overview

Hectors House is a [Barbados villa](#) and overlooks the shimmering turquoise waters on the south coast.

Hectors House features 3 bedrooms and can accommodate up to 6 guest. The infinity pool is impressive and overlooks the garden and cliffs and the deck has several options for dining outdoors. One bedroom is located on the ground floor with queen sized bed and ensuite bathroom. A private patio leads directly out to the deck.

The master bedroom and a second guest room are situated on the first floor and both open out to the ocean views. The luxury master suite has king size bed and ensuite bathroom and overlooks the garden and ocean. The whole room opens up onto a spacious wraparound patio with seating and hammock. The guest room has a queen size bed, en suite bathroom and a private patio. For guests that may have to do some work, there is a cosy office above that overlooks the roof deck.

A staircase leads to the third floor onto the roof deck where you will find ample seating so you can enjoy the panoramic ocean views.

The fully equipped kitchen features a breakfast bar that overlooks the lounge area and verandah. The rooms seamlessly flow inside to the outdoors.

Hectors House comes with the services of a housekeeper. A chef can be arranged for an additional charge.
