Casa Taman

Casa Taman is a tropical garden retreat by the sea. The name says it all, “Casa” means home in Spanish, and “Taman” means garden in Indonesian.

Overview

Casa Taman is a tropical garden retreat by the sea. The name says it all, “Casa” means home in Spanish, and “Taman” means garden in Indonesian. And that’s exactly the feeling you’ll get here: a peaceful, tropical haven surrounded by lush greenery, just a short stroll from the beach and the blue waters of the Pacific.

Casa Taman combines modern design with a relaxed, beachy vibe — stylish yet comfortable, with a touch of bohemian charm that makes you feel right at home.

With 4 bedrooms and 4.5 bathrooms, the villa is ideal for one large family, two smaller families travelling together, or a group of friends. It’s tucked away in a private setting within North Creek Estate, which it shares with Casa Lanui (7 bedrooms). You can rent Casa Taman on its own or book both villas together to accommodate up to 28 guests.

The layout is designed with comfort and connection in mind. There are three spacious master bedrooms with king-size beds, all opening onto the garden and pool. The fourth room is set up for kids, with two bunk beds sleeping up to four.

The open-plan living space connects directly to the terrace and pool, letting the outdoors in. Inside, you'll find a

fully equipped kitchen with seating at the island for casual meals or drinks, and a large wooden dining table that seats up to 10 which is great for group dinners or lazy breakfasts. The lounge area is perfect for relaxing, whether you are watching a film on the 60” TV or simply taking in the view of the surrounding jungle.

Step outside and you’ll find the pool area with shallow sections for lounging, surrounded by sun beds for soaking up the sun or sipping cocktails in the shade. Beyond the terrace is a generous garden space which is ideal for a game, a run-around with the kids, or just swaying in a hammock under the trees.

The beach is just 100 metres away via a private path, where you’ll discover soft white sand, consistent surf, and uninterrupted views. It’s peaceful, uncrowded, and a fantastic spot to watch one of Costa Rica’s unforgettable sunsets.

Whether you’re after relaxation, adventure, or a bit of both, Casa Taman is a laid-back escape that ticks all the right boxes.
