

Ebbtide

Overview

Ebbtide Barbados offers a fantastic beachfront location in the heart of St James in Fitts Village, putting you in close proximity to bars and restaurants on the famed west coast of the island.

The property features gardens that are meticulously cared for and a dining gazebo just footsteps from the beach and Caribbean sea. The sea directly in front of the villa is easy to swim with soft sands under your feet and warm waters. There is also a large private plunge pool on the property to take a dip in whenever you fancy.

The ground floor of the property features the kitchen, a family room and a wide-covered seating terrace. Two of the four bedrooms are also on the ground floor, both with twin beds and feature en-suite bathrooms.

On the upper level, there are a further 2 bedrooms with high vaulted ceilings, king beds and en suites. The terraces boast breathtaking views of the beach and Caribbean Sea. The property comes fully staffed with daily housekeeping and cook.
