Overview

The Beach House is a magnificent 6 bedroom villa and enjoys one of the most privileged locations in the Algarve - positioned directly on the wonderful Galé beach and on the outskirts of a peaceful nature reserve.

This family-friendly villa can comfortably accommodate 12 persons. The beach house has 600sqm of indoor living spaces and features four beach-themed bedrooms, with one smaller bedroom more ideal for young children and a lower level bedroom that is accessible through the garden. Each bedroom has ensuite bathroom.

The kitchen is located on the ground floor and is fully-equipped with all the latest appliances. There is a living and dining area that lead directly out onto a shaded terrace furnished with comfortable chairs.

Sun worshippers will love the private swimming pool and the sea views over the beach and The Atlantic Ocean - a great place to watch the sun set whilst enjoying some early evening cocktails.

The villa is tranquil but you are not far from the bars, boutiques and restaurants of Albufeira and Guia. Nearby is also Salgados nature reserve, a protected stretch of coastal wetlands and promises excellent birding, walking and biking opportunities, all year round.
