

Capri Manor

Overview

Capri Manor is a lovely [Barbados](#) family holiday private villa located only a couple of minutes walk from the stunning Gibbs beach and close to historic Speightstown on the West Coast of Barbados.

Renovated in 2019, Capri Manor has a brand new kitchen and new fourth bedroom with en-suite bathroom.

The house is surrounded by lush tropical gardens with a large family-size swimming pool and jacuzzi. There is a lovely sun terrace around the pool with loungers where you can take some well-earned rest and relaxation.

Enjoy spacious living and a feeling of space downstairs with the large hallway and living area which open out onto a large covered outside seating and dining area, perfect for al fresco meals. Inside there is a second sitting room with a TV and a well-equipped kitchen.

The house sleeps eight persons in four air-conditioned, en-suite bedrooms. Three of the bedrooms have double beds and one is a twin (one of the double beds can be separated to create a second twin room).

The house is across the road from the wonderful Gibbs beach and is located just off the coast road, you may be able to hear some noise from the roadside.
