---

### Overview

Queens Tower is a beautiful three bedroom villa situated in Queen's fort on the west coast of Barbados. This modern, coral stone villa can comfortably accommodate 8 guests.

Queens Tower features an exceptional interior design with vaulted ceilings and white aesthetically pleasing decor which gives each room abundant space and light.

The Master Bedroom features a dressing room, ensuite bathroom with large, walk-in shower and is located on the ground floor. A door leads out to the pool and garden area.

The other two bedrooms in the main villa have large vaulted ceilings, super king-size beds and each has ensuite bathroom.

The main villa has many amenities for a relaxing holiday. There is a media room with plush L-shaped sofa and TV with premium channels. Netflix and Prime.

There is a media room with a plush L-shaped sofa, perfect for sinking into and watching television with premium content channels from the UK, US, and Canada with easy access to Netflix & Prime.

The kitchen is fully equipped with modern amenities including a coffee machine and wine refrigerator. The kitchen opens into the dining and living area. Most guests prefer to dine alfresco and there is seating for 10 guests. The large terrace overlooks the swimming pool and gardens and features a BBQ.

The covered terrace overlooks a private garden and gate that leads directly to the beach. The colourful garden has a patio and lawn area with an outdoor tropical rain shower.

The rates include a housekeeper. A chef can be arranged for an additional charge.
