Overview

Set along the peaceful shores of Natai Beach, Baan Taley Rom is a luxurious six-bedroom beachfront villa. Just north of Phuket Island, this private retreat combines tropical beauty with contemporary comfort, making it ideal for families and groups seeking an indulgent and relaxing escape.

The property features an elegant arched entrance and three peaked-roof pavilions surrounded by a full acre of manicured gardens and swaying coconut palms. The villa's 25-metre black-tiled infinity pool stretches toward the sea, providing uninterrupted views of the Andaman horizon as the sky transforms from morning blue to sunset gold.

Indoors and out, Baan Taley Rom offers plenty of space to unwind. Large open-plan living and dining areas connect seamlessly to the pool terrace and garden, while a private spa and gym pavilion overlooking the ocean encourages guests to focus on wellness. The villa's private chef creates delicious Thai and international dishes, that can be enjoyed in the elegant central dining pavilion or alfresco by the pool and seafront sala.

Each of the six ensuite bedrooms is individually styled with natural textures and personal artistic touches from the owner. The master suite, located in its own pavilion beside the pool, features panoramic sea views and connects to a twin-bedded room, making it ideal for families with children.

Fully serviced by a professional team, including a dedicated villa manager, chef, and housekeepers, Baan Taley Rom ensures every detail is taken care of. Beyond the villa, Natai Beach is a wonderful area to explore, with its pristine coastline, lush countryside, waterfalls, and hot springs. For fine dining nearby, you will find several upscale resorts, including Aleenta and Iniala, just minutes away.
