Overview

Jamoon is a charming and private two-story home set on landscaped gardens in the established Sandy Lane Estate on the West Coast of Barbados. Conveniently located a short distance to duty-free shopping, pristine beaches, and an array of dining options, this beautifully finished, 4-bed holiday villa.

The eclectic mix of antiques with Caribbean flair adds to Jamoon's relaxed warmth, sure to woo large families and groups. From the main double doors, guests already feel welcome in the cool reception area, with a fishtail palm tree as the centerpiece. On the left are a powder room and a pantry with party appeal, complete with a wine cooler, mini fridge, storage for snacks, and an icemaker.

Just ahead is the open-plan living room, with dramatic, high ceilings accentuated by a skylight and a view of the large pool. This space, designed with entertaining in mind, has plenty of comfortable seating areas, a grand, antique dining table accommodating up to 20 people, and even a baby grand piano. More comfortable seating and lounge chairs are found on the terrace with tranquil garden views as well as the pool deck.

Immediately outside of the well-equipped, Scandinavian-designed kitchen is casual outdoor dining set up on the wide, covered terrace—usually the spot for a leisurely breakfast or lunch prepared just how you want it. A full complement of guests can expect gourmet meals to grace the table, utilising choice local fare whipped up by the amazing in-house chef. You'll be tempted to dine the whole time!

The bedrooms, spread throughout the home on both levels, have ceiling fans and air conditioning. Two master suites, one on each floor, both have en suites, walk-in closets, and French doors leading to a private terrace. The other bedrooms come with dressing rooms, and most have French doors opening onto a patio, garden, or pool deck.

To the left, just off the living room, over mini wooden bridges, is an inviting pool with a deck and a water volleyball and badminton court (at the deep end), as well as floating loungers. Whimsical tropical paintings of flora and fauna on the exterior walls can be appreciated while drifting on an inflated chair in the pool. A cosy TV room for eight, two iPod docks, and wireless internet throughout the house offer options for play and remaining connected.

The iconic Sandy Lane Beach is just five minutes away, where Jamoon has its own beach cabana within the Sandy Lane Property Owners' beach club.
