Overview

The Villas at La Sereno offer a high degree of privacy whilst also allowing guests to access all the amenities and services at La Sereno. The Villas enjoy over 7500 sq. ft. of living space on almost a half-acre of lush tropical landscape. Each villa has its own private swimming pool, 3 luxurious en-suite bedrooms, two powder rooms and two dining rooms. Two of the master bedrooms feature king-size bed, sitting area and private terrace. The third bedroom can be configured to either a king size bed or two twin beds. All bedrooms have state-of-the art audiovisual equipment (flat screen TV, DVD, iPod docking station, speakers). All public areas (including pool underwater) have built-in BOSE speakers linked to a central stereo controller.

There is a fully-equipped kitchen, main dining area that comfortably seats 10 guests, wood-paneled library with en-suite bathroom, media room and surround sound large screen home theatre. The library can be outfitted with a king size bed or two twin beds to accommodate more guests.

Outside the villa, there is an impressive 33-foot swimming pool with panoramic ocean views. The Pool deck is elegantly furnished for sun bathing and reading. For al fresco dining, the deck has a large covered terrace with dining table for eight guests and a BBQ.

The resort boasts a luxurious 2300 sq. ft. spa, which features an extensive menu of facials, body wraps and massages, a beachfront swimming pool and bar/lounge area. For the more active, there is a fitness centre on site.

Popular with guests and locals, Le Sereno Restaurant has become renowned for its delicious and exceptional Japanese and French cuisine.

Rates include daily full breakfast, complimentary mini-bar (non-alcoholic beverages), round-trip chauffeur driven transfers from St. Barth Airport to hotel and beach bags.
