

Villa Crystal

Welcome to Villa Crystal – a traditionally-styled luxury pool villa set within rural Majorca. The villa has been designed in an attractive authentic style, with shuttered windows and terracotta rooftops.

Overview

Welcome to Villa Crystal – a traditionally-styled luxury pool villa set within rural Majorca.

The villa has been designed in an attractive authentic style, with shuttered windows and terracotta rooftops. Inside, the design is mostly minimalistic, with warm touches provided by wooden ceiling beams and charming artworks. The living room is the villa's main space, with a sumptuous TV lounge area and an eight-person dining table, while the impressive wine cellar and kitchen with eat-in table are strikingly modern additions to the house.

On your way to the garden, you'll discover an appealing outdoor covered terrace, fitted with upscale furniture for dining or relaxing. The compact but well-maintained garden has lawn space to enjoy, as well as a sunken infinity pool that's great for a refreshing dip.

Accommodation

Villa Crystal has four bedrooms across two floors. One of the twin bedrooms does not have air-conditioning.

Ground Floor

On the ground floor, there is one twin bedroom with a nearby shower room. Please note that this bedroom does not have air-conditioning.

Split Level

On the split level, there is one double bedroom (small bed of 1.35m) and one twin bedroom

First Floor

On the first floor, there is a master bedroom, with a double bed, large en-suite bathroom, walk-in wardrobe and private terrace.
