Overview

Villa Lia is a fantastic family villa located less than 2km from the beautiful village of Agios Stephanos, with its exceptionally tasty local waterside tavernas and bars. The resort area of Kassiopi is only a ten minute drive away. Nestled among Olive groves and peaceful gardens, this villa is the ideal choice for your next family holiday to Corfu.

Arriving at your villa, you will see what appears to be a single story bungalow. This level consists of a large open plan living and dining room and a full kitchen. French windows lead you out onto the balcony where you can enjoy al fresco dining with your large BBQ and ten seater table, while enjoying the partial sea views and warm summer nights.

The Master bedroom is also located on the ground floor along with a large Master shower room. Four other bedrooms are located on the lower ground floor and can be reached by a spiral staircase from the kitchen/dining area, as well as a separate outdoor entrance which is ideal if people are coming and going at different times.

The bright, sunny lower floor bedrooms consist of two double and two twins, three of which have an ensuite shower room.

Enjoy endless sunshine relaxing by your beautiful pool area. There are plenty of sun loungers and parasols for those wanting shade. The gated area gives peace of mind to those with younger children.

The charming village of Agios Stefanos is only a short drive away where you will find a pebble beach and several upmarket tavernas lining the waterfront. Cocktail bars, mini markets and boutiques can be found just up the lane. If you are feeling adventurous you can rent a motor boat to explore other harbours and coves along the coast.
