## Overview

Villa Cambresi is a five bedroom tropical haven designed for effortless island living, nestled on the east coast of Mauritius. Set on a vast, open property ideal for families and groups, the villa combines generous outdoor space with a warm, relaxed atmosphere, making it perfect for shared moments, barefoot games, or simply slowing down.

This two level retreat features 5 en-suite bathrooms and blends comfort with refined simplicity. Wake up to sunrise coffees by the sea, and spend your day lounging by the heated pool (heating available upon request during the cooler months). The villa's breathtaking lagoon views stretch across to Île aux Mangénie, and its privileged location offers the unique possibility of private boat pick-up directly from the beach, with Île aux Cerfs just a short ride away, ideal for golf or day excursions. Whether you're reconnecting with loved ones or discovering Mauritius at a slower pace, Villa Cambresi invites you to experience the east coast at its most authentic and serene.

For families travelling with children aged 3 to 12, an in-villa children's animator can be arranged (upon request and subject to availability), offering engaging, adventure-filled, and educational activities tailored to the curious

minds of our little explorers.

Thanks to privileged partnerships with nearby hotels such as Constance hotels, Ile Aux Cerfs, Lux\* Belle Mare and One & Only - Le Saint Géran, guests staying at Villa Cambresi can enjoy the best of both worlds: the privacy of a villa combined with exclusive access to hotel restaurants, golf courses, bars, and spas (subject to availability).
