### Overview

Ambience Sea Salt at The Tryall Club is an impressive villa covering five acres of land on Mahogany Drive and offers panoramic views thanks to its elevated location. The villa is on one level with floor-to-ceiling paned doors and lofty pitched ceilings allowing the cool ocean breeze into the home.

The villa features six bedrooms, each with a private patio. Three are master suites, and the arrangement of these bedrooms is a perfect combination for families. Each of the six bedrooms open up to private outdoor sitting areas and the four master bedrooms have outdoor showers. Two of the master bedrooms have large bathrooms with soaking tubs and connect to an adjacent bedroom. And one of these masters also features a private family room with a daybed which can be used as an additional sleeping area. The third master bedroom has an office area and private balcony with sea views. The fourth master is the only second floor room, it has privileged westward views over lush foliage and along the coastline.

The freshly renovated west wing features a sleek new bar with media lounge. This overlooks the new spa and plunge pool where you can have a deeply relaxing hydro massage and then stretch out on the sun deck lounge

chairs. The new built-in seating surrounding the fire table is the perfect spot to sip a sunset cocktail and enjoy the sea and coastline view. Or you can dine al fresco under the stars on the coral stone deck.

The great room in the east wing is furnished with large comfortable couches, a 65" flat screen tv and games tables. It opens out to a generous verandah overlooking the main swimming pool which is outfitted for water volleyball and water basketball. The pool area features a regulation size shuffleboard court and a 1500 sf putting green.

The dining room pavilion is an ideal place to gather, set among colourful orchid gardens with glass doors on all sides that open to let in the cool Caribbean breezes

Outdoors, within the landscaped tropical gardens, is a 1500 square foot putting green, a perfect place to practice before heading to the golf course.

The resort itself has a wealth of activities and amenities including watersports, spa and fitness centre.

**The Great House** - Guests have access to The Great House Restaurant and Bar. During the winter season, breakfast and dinner are served at the Great House Restaurant and during the summer months, dinner only. Guests can choose to dine by candlelight outside on the terrace overlooking the bay and the distant twinkling lights of Montego Bay or inside in the dining room. Each afternoon at four o'clock, afternoon tea is served on the veranda and terrace.

**The Beach Café** - Relaxed and informal and set beside the Tryall Club pier and overlooking the ocean, the Beach Café is a delightful lunch venue offering a choice of indoor or al-fresco seating. It is the perfect place to head to after a morning on the beach.

Golf is as much a part of The Tryall Club as the magnificent villas and the ocean views and is rated as one of the Caribbean's finest.

Tennis is also a popular activity at The Tryall Club and has been since it was opened in 1959.
