Overview

Lasithi Suites are set upon a rock in the area of Tourlos, overlooking the town and a horizon of perfect blue. These two superior open plan suites are ideal for couples holidaying together on the popular island of Mykonos.

This newly built residence is organically connected to the Cycladic landscape, with parts of the rock integral in its stunning design. With built in beds, bathtubs, and curved elements, and rock formations sprawling through the walls, this is a place where Cycladic purity meets contemporary architecture. Crisp white tones accentuated by grey dominate the spacious interiors and enhance the sheer modernity of the decor.

The two one-bedroom suites are 60 and 67 square meters respectively, each with a fully equipped kitchen and living room, providing complete autonomy and privacy. It's outdoors that you can come together, in the generous common spaces, where you can share fun moments by the lovely tear-shaped swimming pool, or unwind at the stylish lounge and sitting areas, in front of uninterrupted views of the Aegean.

Along with luxurious style, the property provides all the modern comforts as well as daily cleaning and

housekeeping.

With the town of Mykonos just 4 km away, the beach of Agios Stefanos a mere 3 km, and more popular beaches just a short drive away, these suites are a great choice for people who want to experience all that the island has to offer.
