

Villa Dorina

Villa Dorina is a historic house that offers a sanctuary from the bustling world and is just an hour away from Siena and less than two hours from Florence.

Overview

Villa Dorina is a historic house that offers a sanctuary from the bustling world and is just an hour away from Siena and less than two hours from Florence.

Villa Dorina has five bedrooms and is nestled within Val d'Orcia - this property is an elegant and sophisticated townhouse on a quiet piazza on the edge of the charming 13th century village Castelmuzio. The property has been refurbished to create a place for people to connect and feel a sense of belonging during their stay. The town is a peaceful and charming destination, far away from the hustle and bustle of larger cities. It is an ideal place for those seeking a tranquil retreat and a chance to immerse themselves in the beauty of the Tuscan countryside. Val d'Orcia is an excellent destination for outdoor enthusiasts and nature lovers. It offers breathtaking countryside, is famous for wine lovers, and is designated as a UNESCO World Heritage Site.
