Overview

Villa Il Glicine is a welcoming four-bedroom villa set within a 20-acre estate in Tuscany's Chianti wine region. Surrounded by vineyards, olive trees and Mediterranean vegetation, it enjoys a peaceful countryside setting less than a mile from the medieval village of Panzano. The villa is also well placed for exploring the region, with Greve in Chianti, Castellina and Radda nearby, and Florence and Siena both around an hour's drive away.

The interiors combine contemporary comfort with a relaxed, understated style. The ground floor features a comfortable living room alongside a fully equipped kitchen and dining area, with direct access to the terrace. A mezzanine reading corner provides an additional space to unwind, while the villa's indoor plunge pool offers a welcome place to relax throughout the year.

There are four air-conditioned double bedrooms, each with a queen-size bed and its own en-suite bathroom with shower. The single-level bedroom layout makes the villa a practical choice for families or a group of friends travelling together.

Outside, the garden enjoys views across the surrounding vineyards, with a private swimming pool set in a panoramic corner of the grounds. A pergola provides shade for outdoor dining, with a fully equipped kitchen and a spacious table for meals in the open air.

Villa Erinda can also be rented alongside neighbouring [Villa La Pergola](#), creating an 11-bedroom option for larger groups. With its countryside setting, private pools and easy access to the villages and wineries of Chianti, it offers a comfortable base for enjoying the Tuscan landscape at a relaxed pace.
