Overview

Atelier House Barbados occupies a stunning location for a Caribbean retreat, offering dramatic ocean views of the famed west coast. This stunning villa property is surrounded by a half-acre of tropical gardens featuring indigenous palms, lilies and colorful bougainvillea. The villa was conceptualized by the owner, an accomplished architect who has created many homes for private clients.

The sleek design exudes a contemporary flair with dramatic double-height living space designed to maximize the stunning views across the spacious outdoor terraces and pool and beyond a mahogany tree-filled gully to the Caribbean Sea. The ground level terraces are home to the 32 x 27 ft pool whilst a roof terrace and mezzanine level study all offer incredible views.

There are four spacious bedrooms at Atelier House. The master suite is located on the upper level and features a glazed balcony with views over the sea and a covered outdoor terrace for relaxing; the en suite bathroom has separate bath and shower facilities. The three guest bedrooms are all located on the ground floor. One features an en-suite while the two remaining bedrooms share a bathroom between them.

Atelier House features two white granite kitchens, one is located in the pavilion and the other at the rear of the villa. Cook service included during winter / peak period. Groceries additional charge.
