Overview

Villa Dante 2 is a breathtaking farmhouse-style villa situated within an impressive thirty-acre estate. Grounds include an incredible ecological wine estate. Designed in a traditional Majorcan style, but with a high-spec interior suiting the most discerning of guests, this is certainly one of the island's finest villas.

Inside, the villa is a combination of rustic charm and modern luxury, with authentic aspects such as beamed ceilings fusing beautifully with bespoke furniture pieces and hand-picked artworks. On the ground floor, the entrance hall greets guests with a two-storey hanging light installation above the villa's billiards table. The next room is the impressive open-plan L-shaped living area, with an upscale Bulthaup kitchen, a landmark ten-person carved wood table, a second, smaller dining table and a plush lounge with deluxe sofas and a reading corner. With sliding doors to the terrace, this is truly an appealing space to enjoy. Upstairs, you'll find an additional living area, complete with stylish seating and a Smart TV with Apple TV functionality.

Outside, the terrace offers a beautiful vista across the countryside towards the distant mountains and Bay of Alcudia. The raised terrace boasts a modern step-access swimming pool with a counter-flow current, a panoramic sun deck furnished with luxe loungers, and an outside shaded dining area for al fresco meal times. Elsewhere on the estate, you'll find a beautiful arid garden, a tennis court shared with Villa Dante 1, and hidden corners to relax.
