### Overview

Villa Kakariki is a 245 sqm property sitting within a large plot of 5,500 sqm and is ideally located in one of the of the most beautiful parts of Sifnos, on the side of a steep slope overlooking the Aegean, Platis Gialos Bay and its popular sandy beach.

Surrounded by gardens and large separate verandas, the residence was built in 2006 with typical Cycladic architecture lines and is made up of 4 independent units, ideal for groups of friends or families that appreciate company moments but can also have privacy when needed.

All 4 units are fully equipped with necessary amenities for a summer house, they have parking places and independent entrances, large verandas with magnificent views in the front and are fully equipped with Cycladic style indoor and outdoor furniture. Needless to say that the sunset view from the verandas is spectacular.

Apart from the separate verandas in each unit there is a very large communal patio, protected from the sun and the summer heat by a pergola. The whole area is stone-built and it has a small built-in sofa and a table at the

one end, a barbeque with a mini fridge and a bar at the other end, and a large marble dining table with outdoor chairs in the middle. This veranda is ideal for gatherings and events, such as dinner parties. Enjoy at the swimming pool area unforgettable moments all day long.
