Overview

Still Fathoms Barbados is a modern and well-appointed five bedroom villa located directly on the ocean at Reed's Bay on the platinum west coast. The décor of the villa is stylish, featuring cool blues and bright tropical colours with whimsical touches of an "undersea" theme.

The villa features a pretty beachfront garden, which surrounds a plunge pool, sundeck and shaded terrace offering the perfect spot to unwind with a cool drink whilst enjoying the beautiful view of the azure Caribbean Sea.

The ground level of the villa also has a spacious living room & TV area which opens directly on to the covered terrace, offering plenty of comfortable seating, as well as an alfresco dining area with a well-equipped kitchen just steps away.

All five bedrooms are located on the upper level and feature en-suite bathrooms and are air-conditioned. Both the master and second bedroom feature ocean facing balconies directly overlooking the garden and ocean. There is also a small TV room on the upper level, ideal for children to use.

The master bedroom and second bedroom both have king beds, bedroom three has twin beds that can convert into a king, bedroom 4 has a queen bed, bedroom 5 has a king bed.
