Overview

Kishti Villas are 2 beautiful chic new villas situated side-by-side on the pristine white sands of Anguilla's Meads Bay.

The villas have been carefully designed to maximise the glorious views. Floor to ceiling windows will immerse you in this breathtaking, world class location. You can spend days relaxing on the canopy beds, cool off in the private swimming pool or take a leisurely stroll along the beach. The outdoor dining area is perfect for enjoying an evening cocktail and watching the spectacular sunsets.

Kishti Villas are almost identical in architecture and design. Kishti Villa East has six bedrooms and there are 5 bedrooms in Kishti Villa West. Each bedroom has a king-size bed, a luxurious en-suite bathroom and are air-conditioned. The master suite in the east villa also has its own al-fresco shower. The bedrooms suites have been decorated in calming blues and neutrals to echo the surrounding tropical beauty. Large groups can book both villas - Kishti East and West — for a combined 11 bedrooms accommodating up to 22 guests.

Each villa is laid out around a great room with a living area, dining area and kitchen that opens to the terrace via a folding glass wall, so the space is bright and airy. Each villa has rooftop and patio gardens, guest and chef kitchens, home theatre and gym.

The rates include a full team of dedicated staff, including chef, housekeeper, villa manager and security. (Chef service part time in Summer and full time in Winter).
