Overview

Villa Windu Asri is a stately six-bedroom villa inspired by Asia's iconic heritage hotels, located in a quiet cul-de-sac in Petitenget, less than a 1km walk to Legian Beach and Seminyak's world-class restaurants and bars.

Ideal for multiple families and groups of friends, the villa is exceptionally spacious and boasts sophisticated living and dining areas, equally sized ensuite bedrooms and an exotic walled garden with 13-metre swimming pool. Painstakingly designed to invoke the days of grand travel, the villa's colonial features are offset by plush interiors and modern facilities including a media room, state-of-the-art kitchen. The six bedrooms are spread across both levels, with three on the ground floor and three on the first floor. Four have super king four pester beds and two have twins that can be converted to kings. Two rooms are interconnecting and are located in a separate pavilion by the pool, ideal for a small family.

Butlers serve spritzers and ice-cold towels by the pool or shake up sundown cocktails at the sit-up bar. The chef prepares gourmet meals (from a reasonably priced menu) in the state-of-the-art kitchen, served in the formal dining room or at the 16-seat table in the open-sided living pavilion. And therapists are on call for massages on the poolside bale's stately daybed platforms.

Windu Villas is an exclusive private villa enclave, just off fashionable Jalan Petitenget in the heart of Seminyak. Eleven double bedroom suites are available when the 5-bedroom [Villa Windu Sari](#) and 6-bedroom Villa Windu Asri are booked together.
