## Overview

Perched on a hillside in Cap Estate is Villa Equinox - a charming four bedroom villa with a swimming pool, swim-up bar and plunge pool. This lovely property overlooks the spectacular coastline of St. Lucia.

Each of the four bedrooms at Villa Equinox has an en-suite bathroom and air-conditioning. Two bedrooms feature king beds, and one bedroom has access to a patio with private plunge pool. The other two bedrooms have twin beds. The colourful bedding add a tropical feel to the neutral walls and dark wood furniture.

The living room and dining room have high vaulted ceilings and welcome in the cool Caribbean breeze thanks to the large French doors, which lead directly out onto the veranda. The fully equipped kitchen is all modern charm with pale wood cabinets and charcoal gray stone countertops.

Breakfast can be enjoyed out on the veranda or at the indoor dining area. The pool terrace is furnished with several sun loungers or guests may wish to relax in the swimming pool at the swim-up bar and take in the incredible views. At night, enjoy a BBQ al fresco or relax in the living room.

For those looking to explore St. Lucia, the nearest beach is only 2 miles away or popular Smuggler's Cove Beach is 3 miles away. For those looking for a more lively atmosphere, Rodney Bay and Reduit Beach are only a 10 minute drive away.
