Natural materials harmonise with contemporary design giving a serene ambiance that exudes both luxury and comfort. Each space within this exceptional villa is meticulously crafted to embrace the surrounding natural environment. On the ground level, a tastefully furnished living room beckons with a satellite TV and large windows that give an illusion of transparency. Next to this, a generously proportioned dining room accommodates up to eight guests and a fully equipped equipped kitchen, complete with an additional dining table and a bar with stools.

Villa Koilada boasts a total of six bedrooms, each with luxurious double beds and their own smart TVs. The three bedrooms on the ground level either have balconies or direct access to the pool, and share a communal bathroom with bathtub. On the lower level, all three bedrooms have an ensuite bathroom with showers.

Spend your days relaxing by your private pool on the comfortable sun loungers, under large umbrellas. A shaded

dining area large enough to seat 12-14 people is the perfect place to enjoy al-fresco meals cooked on the gas bbq.
