Overview

Saba Yudhistira is a two bedroom Villa and is part of the Saba Estate Bali, comprising five villas that can be rented as a whole estate for an exclusive getaway or as independent villas.

As well as its two spacious en-suite bedrooms, Villa Yudhistira features a large air-conditioned dining room and integrated, well-equipped, modern kitchen. Connected to the dining room via a covered walkway is the beautiful, open-sided living pavilion. The living pavilion is positioned beside the 15-metre pool set within the well-tended tropical gardens. At the far end of the pool is a shady, comfortable bale.

A large, sliding wall panel separates Yudhistira from the other master villa, Saba Bima. Guests who book both villas can request the staff to open the wall panel to provide a huge garden area with the two swimming pools – ideal for family groups requiring four bedrooms and plenty of space for the children to have fun.

Saba villas are served by a large team of staff including a villa manager; assistant manager; private chefs; 24-hour security, housekeeping and butler service; gardeners and pool staff. Additional staff (babysitters, in-house masseuses) available on request.

Saba is exceptionally well equipped for families. Facilities include: baby cot; high chair; booster seat; DVDs;

games; pool safety fence.

A 7-seater car with driver is available for up to 8 hours per day when a minimum of 4 bedrooms are rented together (excluding petrol).
