Overview

Villa Chi is an elegant, seafront villa located on Koh Samui's stunning Bang Po Beach on the north coast of the island. The villa is a peaceful retreat and can comfortably accommodate 10 guests.

Villa Chi boasts seamless indoor-outdoor living and is bordered by coconut palms and fragrant frangipani trees. You enter via a double wooden gate and are immediately greeted by a meditative statue of Lord Buddha. Low rise pavilions house the main living and dining areas and these lead out to an expansive beachside deck overlooking the magnificent sea.

The five bedrooms each feature king size beds and ensuite bathrooms. The bedrooms are designed with cool, ceramic flooring and folding glass doors allows in the tropical breeze. The entire villa has been tastefully furnished in a muted palette of taupe, charcoal and off-white with splashes of colour throughout.

A 20 metre lap pool runs almost the entire length of the villa and connects to a beachside Jacuzzi and massage Sala. For a change of scene, you can also enjoy access to a sizeable beachfront pool and sundeck shared by the villas set within this luxury gated estate.

A host of staff is on hand to ensure you have a relaxing holiday. The team includes the services of a chef.

With its breezy living pavilions and multitude of entertainment options such as a billiards table and jacuzzi, Villa Chi Samui is also the perfect party beach house.
