Overview

Villa Eugene is a simply remarkable mansion situated within one of the Amalfi Coast's most exclusive villages. The classical Italian architecture evokes thoughts of a royal palace, with immaculate white balustrades and a dramatic tower rising four storeys above the grounds.

The stylish Amalfi colour scheme inside provides an elegant approach, boosted by the lofty dome ceilings and cool ceramic floors. The sitting room is the central hub on the main floor, with plenty of natural light and comfortable seating readily available. Nearby is the cosy reading room and also a dedicated dining room for formal dinners. A fully-equipped kitchen is available for professional food preparation.

Head outside and discover lush gardens hiding beautiful terraces and the resort-style pool. Measuring 17m by 5.9m, this is surely one of the most impressive on the Amalfi Coast. Close at hand is a small bathroom with outdoor shower and changing hut, ensuring maximum convenience. There's plenty more to enjoy outside too, with a furnished sun deck by the pool, and several secluded terraces offering beautiful views.

Lower Floor

On the lower floor of Villa Eugene, there are six well-appointed bedrooms, all with en-suite bathrooms with shower and direct access to the furnished garden or terrace. Four of the bedrooms boast queen beds while the other two have king beds that can be converted to twins.

Please note that the villa is accessed 65 steps down from the main road, and the first floor is not accessible to guests.
