

Smugglers Cove The Penthouse

Smugglers Cove Penthouse is a spectacular four-bedroom beachfront apartment on Barbados' Platinum Coast, occupying the top floor of the exclusive Smugglers Cove development in Paynes Bay. With more than 6,000 sq ft of living space, it combines generous interiors with panoramic Caribbean Sea views and direct access to the beach.

Overview

Smugglers Cove Penthouse is a spectacular four-bedroom beachfront apartment on Barbados' Platinum Coast, occupying the top floor of the exclusive Smugglers Cove development in Paynes Bay. With more than 6,000 sq ft of living space, it combines generous interiors with panoramic Caribbean Sea views and direct access to the beach.

The spacious open-plan living and dining area features vaulted ceilings, marble floors and floor-to-ceiling doors opening onto the expansive terrace. A modern, fully equipped kitchen provides everything needed for relaxed meals, while a separate media room offers a comfortable space for quiet evenings.

All four air-conditioned bedrooms are en suite, with three offering king-sized beds and the fourth configured as either twins or a king. The master suite has its own private terrace, while several of the bedrooms enjoy balconies and sea views.

The 60-foot terrace is the highlight of the apartment, with plenty of space for outdoor dining and relaxing around the private plunge pool and Jacuzzi. Guests also have access to the development's shared swimming pool, as well as direct access to Paynes Bay Beach, with beach loungers and amenities provided.

A dedicated team including a chef, housekeeper, beach attendant, concierge and property manager is on hand throughout the stay. The location is also ideal for exploring the West Coast, with restaurants, shops, spas, golf and nightlife all within easy reach.

With its exceptional space, private pool, beachfront setting and panoramic sea views, Smugglers Cove Penthouse is a particularly impressive option for families or groups looking for a spacious base on Barbados' Platinum Coast.
