Overview

Overlooking the golf course in the luxurious Apes Hill resort community in Barbados, Fairwinds offers guests all the benefits of an exclusive resort with additional private amenities of its very own private gym, cinema and games room. This ultra-luxury six-bedroom villa is spacious, fully staffed with chef, butler and housekeeping staff, and designed for guests who want to truly switch off. Fairwinds features four bedrooms in the main house and two in a separate guest cottage at the front of the property. It is ideal for multi-generational families, couples travelling together, or groups celebrating a special occasion.

Inside, the villa is calm and refined. All four bedrooms in the main house are located upstairs. Three sea-facing rooms feature king-size beds, en suite bathrooms, and their own terraces with elevated views of the golf course. The fourth bedroom has two twin beds that can be converted into a king, with its bathroom just outside. Each space is private, peaceful and luxurious.

The guest cottage includes two additional en suite bedrooms with queen-sized beds. It's perfect for those in the

group who appreciate a bit of separation, without being too far removed from the rest of the action.

Days here unfold naturally. Mornings start slow, often with coffee on your terrace or a dip in the pool. Some guests move between the pool loungers and the shaded gazebo with a book in hand. Others might sneak off for a golf round or a massage at the wellness centre. Meals bring everyone back together, especially dinners under the stars at the alfresco dining area by the pool deck.

Fairwinds is fully staffed with a butler, housekeeper, and private chef, so everything from fresh towels to sunset drinks is effortlessly handled.

Guests enjoy full Apes Hill Club membership, with access to the championship golf course, clubhouse, activities, padel courts, restaurant, wellness facilities and more. You're just 12 minutes from Holetown's fine dining Barbados scene and 16 minutes from Speightstown's laid-back charm, ideally placed for all the best things to do in Barbados.
