Overview

Casa Faskomilo is a beautiful seven-bedroom villa set above the bay of Panormos on the north side of Mykonos, just 350 metres from Panormos Beach. Across 700 square metres spread over three levels, it accommodates up to 14 guests and is one of the larger private villa options on the island, making it the perfect choice for big groups or multi-family holidays. Two swimming pools, sea views from every bedroom, and a fantastic range of facilities on site make it an exceptional holiday property.

The layout is spread across three levels. On the ground floor there is a living and dining room with direct terrace and pool access, a fully equipped kitchen, a guest WC, and one bedroom with a king bed, en-suite bathroom with both a bathtub and shower, and sea views. The first floor has two further king bedrooms, both with en-suite bathrooms — one with a bathtub and shower, one with shower only — and sea views. The lower level houses the remaining four bedrooms, all with king beds, en-suite shower rooms, air conditioning, and sea and pool views. Also on the lower level is a fitness area with a full range of gym equipment and a sauna, making it perfect

for those wanting to keep fit on holiday.

Outside, the main infinity pool is a generous 72 square metres, and there is also a separate private plunge pool. The terrace has sun loungers, a pool bar, a shaded dining area for up to 14 guests, and lounge areas. This is a wonderful area to spend time with loved ones during long lazy holiday days. Private parking for up to 12 cars is available, which is particularly useful given the location.
