Overview

Set along the tranquil shores of Natai Beach, Infinity Blue Phuket is a contemporary four-bedroom villa that perfectly balances modern comfort with the natural beauty of Thailand's Andaman coast. Just 30 minutes from Phuket International Airport yet far removed from the crowds, this elegant beachfront retreat offers peace, privacy, and uninterrupted views of the sea and sunsets.

The villa's clean, minimalist design features a soothing palette of white and grey tones that complement the vivid blues and greens of the tropical landscape. At its heart lies a 15-metre swimming pool stretching towards the beach, where guests can cool off while admiring the endless ocean horizon. The villa's four bedrooms are divided between two pavilions connected by a tranquil koi-pond garden, creating a sense of harmony and space.

The open-plan living area flows seamlessly to the breezy oceanfront terrace, furnished for alfresco dining and relaxed lounging. Inside, an air-conditioned dining room and fully equipped modern kitchen offer comfort and convenience, ideal for family gatherings or private dinners prepared by a personal chef (additional cost).

Continental breakfast is served daily on the sea-view terrace, and a dedicated villa manager is on hand to arrange everything from in-villa spa treatments to yacht charters around Phang Nga Bay, or golf outings and fine dining reservations.

Beyond the villa, Natai Beach offers ten kilometres of pristine sand backed by lush coconut groves, while nearby

national parks, waterfalls, and hidden bays invite exploration. For evenings out, guests can enjoy the area's collection of exclusive beach clubs and upscale restaurants, all within easy reach.
