

Villa Orchid

Villa Orchid is a private 3-bedroom villa above Port d'Andratx, Mallorca, with panoramic harbour and mountain views, a heated pool, sauna and underfloor heating for year-round stays.

Overview

Villa Orchid sits high above Port d'Andratx, one of Mallorca's most exclusive holiday destinations, and has some of the most spectacular views in the area. From its many panoramic terraces and balconies, you can see the harbour, the Mediterranean and the Tramuntana mountains. With a heated pool, sauna and underfloor heating, it's a luxury villa you can enjoy all year round.

Port d'Andratx is a picturesque former fishing village with one of the most beautiful natural harbours in the Mediterranean, and it's still home to one of Mallorca's last traditional fishing fleets. Vistas Port Andratx overlooks it all, with sweeping views across the harbour, out to sea and over the Tramuntana mountain range. Mature Mediterranean planting surrounds the villa, giving complete privacy to families and groups of friends.

The villa is spread over two floors, with:

3 beautifully furnished double bedrooms
3 bathrooms

Floor-to-ceiling panoramic windows fill the open-plan living areas with natural light and frame the views. Inside, there are comfortable sofas, digital TV and a fully equipped kitchen.

The panoramic windows open onto a dining terrace with a table, BBQ and outdoor kitchen corner, ideal for long lunches and sunset dinners overlooking the harbour.

With a heated swimming pool, sauna and underfloor heating, Vistas Orchid is as inviting in spring, autumn and winter as it is in summer. That makes it a great choice for an off-season or winter villa rental in Mallorca.

If you’re looking for a luxury villa rental in Port d’Andratx, Villa Orchid combines breathtaking views and complete privacy with year-round comfort. It’s a peaceful base just a short drive from the harbour’s restaurants, beaches and beach clubs.
