Overview

Villa Zereno is located high up in the mountains on the west coast of Phuket and overlooks the sparkling blue waters of the Andaman Sea. Beautifully appointed both inside and out, Villa Zereno has been built in a spacious open-plan style and offers no less than 1,302 square metres of sheer luxury with six elegant bedrooms spread over the 5 floors.

Overlooking the prestigious Surin, Bang Tao and Laguna areas of Phuket's sunny west coast, one of Phuket's most sought-after neighbourhoods, Villa Zereno is in a truly idyllic setting for the discerning traveler seeking privacy, luxury and the perfect base from which to explore the island's rich and fascinating blend of culture, sights, sounds and experiences.

The beauty of Villa Zereno's location is only surpassed by the sheer elegance of the stunning Swedish designed villa itself. The villa has a choice of both Western and Thai-style kitchens, a fully-stocked wine cellar, a games room and a professionally equipped gym and sauna. Entertainment amenities include WiFi, a state-of-the-art Sonos music system with separate volume and source controls for each room, home cinema, flat screen TVs with satellite and DVD players in most rooms; all covered by a state-of-the-art CCTV security system.

To ensure you have the most relaxing holiday, the villa comes with no less than 7 full-time members of staff: A butler and villa manager (who speaks word-perfect English), professional chef, waitress, 2 maids, a security guard and a dedicated chauffeur who will drive you to your chosen destinations in the fully-equipped complementary Toyota Commuter Minibus.

Merging seamlessly into its tropical surroundings, Villa Zereno delivers the ultimate in outdoor entertainment and relaxation. The large purpose-built tiled deck area offers open-air dining and comfortably seating for 15 guests. With relaxation in mind, there is an 18 metre freshwater infinity pool complete with integral Jacuzzi and in-water sun beds, accompanied by the soothing and tranquil sounds of the decorative waterfalls. All set against a spectacular backdrop of the sea, mountains and the bluest of skies.
