### Overview

Coral House Villa is discretely located directly on the fine sands of Grace Bay - one of the best beaches in the world. This stunning villa offers seven bedrooms and can accommodate 14 guests and offers 12,000 square feet of living space.

Coral House is an architectural masterpiece and has been inspired by the work Of Oliver Messel, who recalls the 18th century tradition of island plantation estates. Thanks to the décor, location and amenities, this villa is sure to please the most discerning traveller.

Each of the seven bedrooms are air conditioned and have ensuite bathrooms.

#### **Bedrooms:**

Bedroom 1 (Second Level): Master with king bed, en-suite bathroom with bathtub and shower, ocean view

Bedroom 2 (Second Level): Queen bed with en-suite bathroom

Bedroom 3 (Second Level): Queen bed, with en-suite bathroom

Bedroom 4 (Second Level): King / 2x twin bed, with en-suite bathroom

Bedroom 5 (Second Level): King / 2x Twin bed, with en-suite bathroom

Bedroom 6 (Second Level): Grand Master with king bed, en-suite bathroom with bathtub and shower, ocean view

Bedroom 7 (Main Level): King / 2x twin beds with en-suite bathroom

Indoors is a well equipped kitchen with centre island, living area and indoor dining area.

A terrace opens to the courtyard and provides a peaceful oasis with indoor / outdoor living space. The pool and decking area are where guests spend most time and amenities include a heated swimming pool, two alfresco dining areas and BBQ. Two daybeds are located on the beach so you can enjoy relaxing under the Caribbean sun. If you prefer shade, there are umbrellas around the swimming pool.

For the more active, there is gym equipment and a yoga studio on site. Coral House is fully staffed with butler, chef and housekeeper. If you choose to dine out, you are within walking distance of world-renowned restaurants.
