Overview

In a fabulous central location in Seminyak, Casa Brio, is a gem of a villa and one of our favourites in Bali. Located down a quiet street in this cosmopolitan and popular area, its within walking distance of a fantastic array of dining, bars, coffee shops and some excellent shopping. The beach and a range of spas for some indulgence are also close by.

Casa Brio is a great choice for families or groups of friends and also includes a friendly staff and villa manage on hand to assist with restaurant bookings and a cook to cater to your culinary delights in the privacy of your villa.

The Italian word 'Brio' translates to 'life, energy and enthusiasm' and the design of the villa, in addition to its central location, capture this well. Its full of light and space and contemporary designed but with luxurious and comfortable furnishings. There's plenty of place to just relax...choose from a poolside lounge, put your feet up in the media room, or take a nap on comfy sofa in the lounge pavilion and enjoy the gardens.

The villa features four bedrooms, including two spacious king-bedded master suite complete with air-conditioning and ceiling fans, TV/DVD players and en-suite bathrooms with rain showers and bathtubs. Choose

from a ground floor master which opens out onto the garden and out to the pool and its garden bathtub, or the upstairs master affording views over Seminyak from its sheltered balcony.
