Overview

Villa Vogue at Casa de Campo is a spectacular one-story villa designed with a contemporary flair with a hint of Asian influence. A wide driveway, studded with orchid laden palms, leads to the three-vehicle garage and the impressive entrance to the villa.

Inside, orchid gardens flank the front door in the breezy foyer and corridors on each side lead to the bedrooms. All the interior is fully air-conditioned and there is a range of seating and entertainment areas.

Plump white sofas and love seats in the living area contrast with teak tables while well-chosen accessories add character and color. A table in one corner is perfect for snacks or games.

The family room includes a large-screen plasma television and a long couch to relax and watch the TV.

The formal dining room features two side-by-side square tables, each seating eight. In the professional-level kitchen, a center island with cook top, separate oven, and double refrigerator are among the many highlights.

Steps outside the living area, there is a long indoor/outdoor gallery, furnished with two complete seating arrangements. Beyond is an expansive pavilion that contains a full built-in wet bar with stools, an L-shaped sectional sofa, and a dining table for eight.

Marble floors extend to the sunny terrace around the jaw-dropping pool that sits right in the middle.

The bedrooms have superior furnishings and luxury amenities such as plasma television and a patio. Every private, marble-walled bath includes ultra modern fixtures, oversized vessel sink, glass-enclosed shower plus an outdoor garden shower.

Casa de Campo has a wide range of amenities to cater for all types of clientele. There is a range of dining options and 3 golf courses located at the estate - Teeth of the Dog, The Links and Dye Fore. Please check for scheduled maintenance of the golf courses.

Teeth of the Dog has 7 holes bordering the Caribbean Sea and is a world-renowned course designed by Pete Dye and has been ranked previously and the number one golf course in the Caribbean. The Links is an inland gem designed by Pete Dye that evokes Scottish fold courses with water as the beat in element in 5 of its holes. Dye Fore has 18 holes and is positioned 500 feet above the Chavon River. Dye Fore opened in 2003 with nine cliff side holes and sweeping views of the river and the Caribbean Sea beyond.

In addition to the phenomenal golf, Casa de Campo has many exciting sporting options, each featuring an expert staff and the most comprehensive facilities found in the Caribbean! Novices can try new sports, and experts can polish existing skills in tennis, sport shooting, and at the Equestrian Centre. Stay in shape at the Fitness Center or simply relax at the private beach where guests can enjoy a host of watersports or rejuvenate at Casa de Campo Spa. There are many shops and boutiques around the estate. There is also supervised programs for kids and teens.
