Overview

Villa Contessa is a lovely three-bedroom semi-detached villa set close to the Vale do Lobo Tennis Academy. It has a clean, contemporary feel throughout, with neutral tones, natural materials, and plenty of natural light, giving it a distinctly Scandinavian character that sets it apart from more traditional Algarve properties. It's a calm, well-designed space that suits couples or small families looking for a relaxed and stylish base in this part of the Algarve.

The ground floor has an open kitchen and living area, both of which face onto the pool terrace through a large glass window that brings in plenty of light throughout the day. Two bedrooms are also on this level, one double and one twin, sharing a spacious bathroom with a bathtub. The layout works well for families or two couples travelling together.

The master suite occupies the entire first floor, with a modern en-suite shower room and its own private rooftop

terrace which is the ideal quiet spot for morning coffee or an evening drink away from the main pool area.

Vale do Lobo's beaches, restaurants, and golf courses are all within easy reach, and the Tennis Academy is practically on the doorstep for those wanting to make use of it during their stay.
