Overview

Aquilae is a beautiful holiday home in Barbados boasting a prime ridge-front location with views stretching out over the famous West Coast. The villa sits on half an acre of land and offers approximately 5,000 square feet of living space.

The single level property provides five ensuite bedrooms, comfortably sleeping 10 guests. Cook for friends or loved ones in the fully equipped kitchen and relax in the open plan living and dining area. These areas all open onto the expansive, full length patio and pool terrace.

Spend your days relaxing by the private, infinity-edge pool on one of the comfy sun loungers, under the shade of the covered terrace, or parasols.

The property's design takes full advantage of the cooling breeze coming from the ocean as well as the stunning, panoramic views. The villa features high pickled ceilings and cool travertine floor tiles throughout.

Aquilae is fully enclosed and secure behind automated gates. Mature landscaping adds to the feeling of privacy

and serenity. You are just a 5 minute drive from the beautiful Reeds Bay Beach and for those wishing to take advantage of two world famous golf Courses, Sandy Lane and Royal Westmoreland, these are just minutes away.

Explore Holetown to the south where you will find trendy bars and restaurants and luxury shopping. Speightstown to the north offers quirky beachfront bars and a more 'artsy' vibe.

*Please note there are currently building works in the vicinity of Aquilae.
