### Overview

Stuckgowan is a wonderful nine bedroom property that dates from before 1820 and was built with elegant lancet windows and arched doorways. This home has been brought into the 21st century with gorgeous, carefully detailed renovations with stunning views of Loch Lomond.

Stuckgowan features a total of 9 bedrooms. One bedroom features an 8ft circular bed, there is one triple room, 2 double bedrooms with child's day beds, 3 additional double bedrooms and two twin bedrooms. Not all bedrooms feature ensuite bathrooms but there are six bath / shower rooms.

The kitchen is fully equipped and spacious and allows for lavish breakfasts or late-night gatherings. the breakfast bar and seating area can sit 14 guests. For those that wish to venture out for evening meals, there are some good local restaurant recommendations or you may wish to arrange a private chef to cater for the group.

At the front of Stuckgowan is a luxurious lounge with log fire that leads into the formal dining area where 20 guests can be seated. Other features include a snug that looks out to the garden and Loch and features games, TV and a telescope to watch the stars at night. Or you may wish to relax and enjoy a film in the cinema room. There's also a gym, a snooker table, bar and a host of other thoughtful details to make your stay in this unmatched location incredible and incredibly convenient.

Outside is an undercover 7 seater hot tub for all to enjoy whilst taking in the surrounding views.

Loch Lomond has a wealth of fun activities for all ages – Cruise Loch Lomond, Water Skiing, Wild by Nature, Horse Riding, Sea Planes, Tree Zone, Bike Hire, Canoe Trips. Or simply tour the beautiful villages around the Loch and visit the cafes, restaurants and array of shops.

Note: The property allows dogs to stay at no charge.
