Overview

Marsh Mellow is a lovely single-storey villa featuring four bedrooms, each with direct access to the gardens and pool area. The villa is located on a ridge that overlooks the west coast of Barbados and the Caribbean Sea.

Marsh Mellow has been uniquely designed in a half moon crescent shape, with ivy covered Italian style columns and arches.

The main entrance of the villa leads into an open air living room which overlooks the manicured garden, fountain and infinity edge swimming pool.

The master bedroom is located at the far north tip of the crescent and opens onto a small terrace with direct access to the pool deck. The en-suite bathroom has a large walk-in closet, soaking tub and open air shower. A further two bedrooms are also located on the northern curve and each has en-suite bathroom and open air shower. One of these guest bedrooms can interconnect with the master bedroom. The fourth bedroom is located on the southern curve of the crescent and has en-suite bathroom.

Also located at the southern curve of Marsh Mellow is an open-air dining room and indoor garden as well as a large, fully-equipped kitchen.

All the rooms have direct access to the garden and pool deck. You can spend hours relaxing and taking in the magnificent view.

Marsh Mellow is located only a short drive from Holetown where you can enjoy visiting shops, bars and restaurants. Also within a short driving distance of the villa is Sandy Lane Beach.
