Adler comprises three levels, each with the same minimalistic yet inviting style and impressive sea views. The ground floor is the main space, with an open-plan living and dining room that benefits from glorious natural lighting and high ceilings to create a light and airy space to relax in. The villa's well-equipped kitchen is close by, and also provides access to the terrace where you can dine in style under the Cretan sun. Downstairs, guests can discover the convenient laundry room and a playroom/fitness room, complete with elliptical machine, bike, weights, boxing bag and table tennis & football.

Outside, the villa enjoy a prestigious setting amid private gardens and looking out to sea.
