Overview

Villa Turrasann offers solitude, perfect for a family holiday, a romantic getaway or just as a home away from home in a beachfront setting.

Villa Turrasann offers 4000 square feet of living space and is the perfect retreat for a villa holiday in Jamaica.

This beautiful villa is entered through a secluded entrance from the main road, onto a drive that can park more than one vehicle. Large sliding glass doors overlook the swimming pool and garden area and you can enjoy dining al fresco. For more formal occasions, there is an indoor dining area. A brightly spaced, air- conditioned living and dining area features bespoke Jamaican carved furniture. Amenities include Cable TV, speakers, and an iPod docking station.

The villa has three bedrooms located on the upper level and each is air-conditioned and has an en-suite bathroom. The bedrooms are accessed poolside via an enclosed staircase. All the wooden furniture and beds have been handmade locally. All the bedrooms enjoy ocean views. One features a king bed and the other bedrooms have twin beds that can be configured as kings.

Villa Turrasann includes a beach garden at the back of the property perfect for playing a game of Frisbee, relaxing in the gazebo or sipping rum punch on a set of lounge chairs, covered by the breeze of the many fruit trees and plants such as Hibiscus, Mint and Pentas. This beach garden is also perfect for hosting small functions, such as wedding receptions. A secured gate situates at the end of the beach garden leading to the white sandy beach off Cardiff Hall.

For your peace of mind, the villa has 24hour CCTV and the Villa Manager lives next to the villa. The beach gate is locked and only accessible on the side facing the Villa and a security guard is on duty 6pm - 6am.
