Third king guest bedroom features a beautiful en-suite bathroom, 32" flat-screen TV. Includes private entrance with separate outdoor terrace.

The villa is located at Oil Nut Bay - an incredible resort spanning 400 acres and surrounded by the azure waters of the Caribbean Sea. The resort is one of the most secluded resorts in the British Virgin Islands. There is an array of activities to keep everyone entertained. water sports include stand-up paddle boarding, kayaks, snorkelling, sailing and kite surfing lessons (some chargeable). There are tennis courts, beach volleyball and five hiking trails around the resort.

For guests seeking relaxation, spa treatments can be arranged in the villa or around the resort in remote locations offering spectacular views. There is a wellness studio with top of the range equipment.

The centre of the resort is the Beach Club and Restaurant. There is expansive outdoor lounging areas, three swimming pools and bar. Another dining option is Nova – built out over the water, friends and family can gather around the table to share delectable dishes in an exquisite location. Nova Restaurant is located in the marina village – also home to the marina market, coffee shop, Luna boutique and a second water sports centre – Deep Bay water sports

Other facilities at Oil Nut Bay includes the Nut House Kids Club with a full range of activities and programming designed for kids of all ages.
