Overview

Villa Historia is a newly built four bedroom villa on the quieter west coast of Corfu. Located just a 5 minute drive or easy 1.5km stroll from the small resort town of Parmonas, local seafront Greek restaurants and a sandy beach are within easy reach.

The villa has been thoughtfully designed with disabled guests in mind. Of the four ensuite bedrooms, two have been fully equipped for wheelchair users.

Entering the villa you first come to the open plan living, dining and kitchen area, with high vaulted ceilings. The kitchen has everything you need to cook delicious meals for the whole family, including a full size dishwasher, integrated oven, microwave and large fridge-freezer.

The four bedrooms are located down an enclosed glass corridor. All bedrooms have double beds and ensuite shower rooms.

Spend your days at Villa Historia relaxing by the private pool on one of the comfortable sun loungers, under the

shade of parasols. A covered outdoor dining area, comfortable outdoor sofas and chairs are perfect for enjoying the lazy summer says and beautiful Greek sunsets.

Off road parking is available and the whole property is fenced and totally private.
